ADDENDUM NUMBER TWO

Fabrication & Installation of Automatic Security Gate at Graham Oaks Nature Park Improvements

The above listed solicitation is hereby amended and clarified through the issuance of this addendum.

Request for Bids

1.1.0 PROJECT TIME LINE
Bids are due no later than 10:00 a.m., Wednesday, March 17, 2010, at Metro Regional Center, 600 NE Grand Avenue, Portland, OR 97232, Attention: Rod Wojtanik, RFB 10-1619.

1.8.1 – Experience and Ability to perform Work

Gate Automation System Installation Experience
The Contractor or sub-contractor shall have three years of proven gate automation system installation experience.

The Contractor or sub-contractor must have at least one individual on staff that is a certified as an "American Fence Association Certified Gate Automation Installer" technician.

The Contractor or sub-contractor, responsible for the installation of the gate automation is required to be a licensed low voltage contractor in the State of Oregon.

The Contractor or sub-contractor, must be able to respond to request for service within a 4 hour response time during normal working hours until final acceptance of the project.

The Contractor must have equipment available to conduct the work.

Drawings/Specifications:

- **Revise Drawing –** Drawing E2.01: Revise Sheet to reflect that both gate arms will swing away from Wilsonville Road and in to the parking area.

- **Scope of Work Clarification** – Conduits, wiring and trenching for the automated eyes and keypad will be the responsibility of the bidder.

2.2. Scope of Work:
The term of the contract is anticipated to be April 5, 2010 through August 6, 2010.

It is the responsibility of the bidder to contact Metro's project manager, Rod Wojtanik at 503-797-1846 (office) with any additional questions by Friday March 12, 2010. Answers to all questions will be posted as addenda on Metro's website.

All other terms, conditions, and requirements of the RFB remain in full force.

Issued March 5, 2010.
