RE: Appointment of New Washington County Citizen Representative on
MPAC

Dear President Hughes:

The fresh start for the Region marked by your new leadership of the Metro Council, and for our County marked by a new Washington County Board Chair, presents a good time for a similar fresh start on behalf of our citizens in their MPAC citizen's representation. Therefore, we respectfully request the appointment of Robert Grover, President, Pacific Landscape Management, as the new citizen's representative to MPAC for Washington County.

We believe a change in the County's MPAC citizen representation right now would be a healthy, natural and timely thing considering basic democracy principles. As you know, term limits have naturally resulted in changes on elected bodies throughout our County and, thus, changes to the Westside local government representatives on MPAC. Nathalie's tenure on MPAC has gone well past most of those Westside MPAC changes. So, it is probably a good time for this requested change as well.

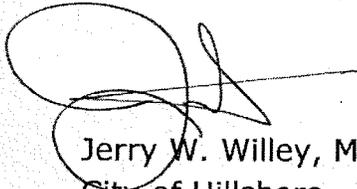

All of us are very grateful to Nathalie Darcy for her many years of dedicated citizen representation on MPAC for our County. She has given most

generously of her time in the service of our citizenry on MPAC. Indeed, the well-being of our communities has been well served by Nathalie's participation on MPAC.

Thank you for receiving and considering this joint request.

Very truly yours,

Jerry W. Willey, Mayor
City of Hillsboro

Andy Duyck, Chair
Washington County Board of Commissioners

Denny Doyle, Mayor
City of Beaverton

Craig Dirksen, Mayor
City of Tigard

Lou Ogden, Mayor
City of Tualatin

Pete Truax, Mayor
City of Forest Grove

Keith Mays, Mayor
City of Sherwood

Jeff Dalin, Mayor
City of Cornelius
