Portland Metropolitan Exposition Center and
Portland Center for the Performing Arts
RFP 11-1862**

This solicitation is hereby amended and/or clarified as follows. The following questions were raised and are being provided to all interested proposers:

Question: Are there weekly guard hours for the locations listed in RFP 11-1862? Also was there a previous vendor at these locations?

Answer: There are no regular or usual shifts, positions, posts, venue locations or minimum hours, neither weekly or at a given shift. All work assignments and labor requests are event driven; that is, work is only available when there are events and at MERC event management requests.

There was a public records request for the current security services contract which was supplied. This document is available upon request.

All other terms and conditions of this solicitation remain the same.
