RFP 11-1790

GLENDOVEER GOLF COURSE: IRRIGATION SYSTEM ASSESSMENT AND IMPROVEMENT RECOMMENDATIONS

Metro received a number of questions regarding this RFP and has attempted to address many of these through this addendum. Some questions that were posed would be more appropriate to address with the selected finalist(s) during contract selection and award.

Q. Who is the utility provider at Glendoveer?

A. PGE (Portland General Electric)

Q. Can you share the planholders list?

A. Yes, upon request.

Q. Is the master planning process currently underway?

A. Yes, the Metro project team has been formed. The "Glendoveer Golf Course Master Planning project" has been renamed the "Glendoveer Golf Course Facility Assessment and Business Plan project" to better reflect the actual scope of the project. An RFP for Glendoveer Golf Course Operation and market assessment, business plan recommendations and design/cost estimates services will be posting within the next two weeks.

Q. Will an actual baseline for the east well be determined before or during this project?

A. Metro staff is working on installing a water gauge on the east well over the next month.

Q. Is there a length limit on work product/appendices?

A. No, it is up to the consultant to determine the most appropriate work products to include.
