

## Addendum One / RFP 11-1896

---

### RFP 11-1896 COUNCIL CHAMBER AV UPGRADE

In the interest of fairness, this information is being provided to all interested proposers.

Below is the Pre-proposal meeting summary and who attended followed by any questions and answers.

**In summary the following information was covered in the pre-proposal meeting:**

Q: How much is budgeted for this project?

A: Metro estimates the amount to be approximately \$60,000. However, firms are encouraged to price their proposals accordingly and to submit their best offer for the requested services

We have clarified that there are no significant time constraints in completing this project.

All other questions raised in the meeting were pertaining to information contained in the RFP.

**Pre-Proposal meeting attendees:**

John Cathey – Compview  
David Garlett – Delta AV  
Lindsey McGill – Spectrum System Design  
Melinda Petersen – Spectrum System Design

Issued June 2, 2011
