Solid Waste License Application Change of Authorization

This form is to be used when a licensee or franchisee requests authorization to:

- 1) Accept wastes other than those authorized by the applicant's license or franchise,
- 2) Perform activities other than those authorized by the applicant's license or franchise,
- 3) Modify other limiting conditions of the applicant's license or franchise, or
- 4) Increase the tonnage limitation authorized in an existing non-system license (NSL).

1. Facility Information	
Facility Name:	
Company Name:	
Street Address:	
Mailing Address:	
City/State/Zip:	
Contact Person:

2. Explain the requested change in authorization. (Attach additional page if necessary.)

3. Please check the box that corresponds to the change in authorization that you are applying for and include the application fee with this form.

<i>Change of Authorization Requested</i>	<i>Application Fee</i>	<i>Type of Application</i>
Modification of a waste authorization, activity authorization, or other limiting condition of an existing license or franchise	\$100	
Increase to the tonnage limit of an existing NSL by no more than 500 tons annually	\$250*	
Increase to the tonnage limit of an existing NSL by more than 500 tons annually	\$500**	

**If the requested increase would result in granting more than 500 tons of total authority, then the application fee would be \$500.*

***\$250 of this fee will be returned to the applicant if the change request is denied by Metro*

Depending on the specific nature of the request for a change of authorization, Metro may require the applicant to update the facility operating plan, the site plan, the facility design plan, closure plan or financial assurance, demonstrate consistency with the Regional Solid Waste Management Plan or compliance with any other requirement of Metro Code. In addition, the proposed changes may require the applicant to update other permits and operating authorizations such as DEQ permits, land use permits or property use consent forms.
