

Disposal Voucher Program APPLICATION

Due to Metro at least 14 days in advance of event date

Metro contributes to the livability of the region by supporting community cleanups and other activities that enhance the appearance and safety of neighborhoods. In support of these goals, Metro may waive disposal fees on mixed solid waste for community clean-up events coordinated by public agencies, local governments and non-profit entities within the Metro region. In order to be eligible to receive disposal vouchers, **the coordinating agency must meet the qualifying requirements (see last page of application.)** This program waives only transfer station tipping fees (not drop box and hauling fees.)

ALL VOUCHER REQUESTS ARE SUBJECT TO FUND AVAILABILITY
