

# If bus rapid transit is studied further, where on the spectrum should we focus?

Fully  
mixed  
traffic

Fully  
exclusive  
transitway

Eligible for federal  
New Starts funding  
at 50% dedicated  
right of way

## Mixed traffic

- Slower
- Lower ridership
- Less reliable
- Lower construction costs

## Exclusive transitway

- Faster
- Higher ridership
- More reliable
- Higher construction costs
