CITY OF HAPPY VALLEY
STAFF REPORT TO THE CITY COUNCIL

December 7, 2010

ANNEXATION APPLICATION (File Number: ANN-04-10/LDC-06-10/CPA-03-10)

I. GENERAL INFORMATION

PROPOSAL:

The City seeks approval of the annexation of 10 properties, with a cumulative area of approximately 18.46 acres, and the legislative rezoning of the subject properties to Happy Valley zoning designations, as set forth in Section 16.67.070 of the City's Land Development Code (LDC). The subject properties currently have residential, commercial, and industrial Clackamas County zoning designations. This proposal will rezone the subject properties from their existing zoning designations to equivalent Happy Valley zoning designations.

APPLICABLE CRITERIA:

Applicable sections of the City of Happy Valley Municipal Code; Title 16 (Land Development Code), including Section 16.67.070 (Annexations); applicable sections of the City of Happy Valley Comprehensive Plan; Metro Code 3.09.045; and, ORS 222.111 and 222.125.

BACKGROUND:

The City of Happy Valley makes available petitions for annexation to area property owners and received signed petitions requesting annexation from the owners of the subject properties.

GENERAL DISCUSSION:

The proposed annexation was initiated by petitions signed by the owners of 100 percent of the property owner(s) that represent 100 percent of the assessed value, and that represent at least 50 percent of the electors within the area being annexed. The petition meets the requirements of Metro Ordinance Number 98-791, Chapter 3.09.045, and ORS 222.125.

The properties to be annexed are in various locations, adjacent to the existing city limits, as noted on Exhibit "B". The legal descriptions for the areas proposed for annexation are attached as Exhibit "A" and the annexation application data forms for the areas to be annexed are attached as Exhibit "C".

The proposed annexation incorporates 10 properties consisting of 18.46 acres adjacent to the existing city limits of the City of Happy Valley. The desire of the property owners to obtain city services and land use regulations for the subject properties have prompted the proposed annexation request.

This staff report outlines the subject properties as to their specific configuration, existing land use, population, assessed value and other criteria for approval of boundary changes. See attached Exhibit "A".

The proposed annexation boundaries have been drawn up to include only the properties represented by the property owner or his representative who signed the annexation petitions.

This proposed annexation complies with the present agreements the City has with various urban service providers. The subject properties are currently within Clackamas County Service District #1 (CCSD #1), which provides sanitary sewer and stormwater services to the City and other urbanized areas of Clackamas County. Subsequent to the approval of this application, the owners of the subject properties will be required to annex into Clackamas County Service District #5 (CCSD #5) for street lighting and the North Clackamas Parks and Recreation District (NCPRD). The subject properties will need to be removed from the Clackamas County Enhanced Law Enforcement District.

CCSD #1 will be the provider of sanitary and stormwater services. Three of the 10 properties proposed for annexation are vacant, with one of the vacant properties being heavily constrained with natural resources. Prior to the development of the subject properties, CCSD #1 will evaluate how to best serve these properties with sanitary and stormwater services (i.e. line capacity, drainage basins, etc). Efforts to provide sanitary and stormwater services to the aforementioned vacant properties will be coordinated by Clackamas County Water Environment Services (WES).

The subject properties are directly adjacent to the city limits of the City of Happy Valley and are within the designated dual interest area of the City of Happy Valley and Clackamas County Urban Growth Management Agreement (UGMA). The properties associated with this annexation are consistent with the provisions of the UGMA. Both the planning and public facilities provisions are contained within the City of Happy Valley/Clackamas County UGMA. The properties being considered for annexation are not subject to any additional agreements between the City and other agencies that would affect planning or urban services to the subject properties.

Happy Valley Comprehensive Plan Policies 4 through 7 address urbanization of lands from rural to urban uses. The annexation area satisfies the applicable provisions of these policies by providing land for urban development that can be, or currently is, adequately served with Level 1 services and facilities.

The Metro Regional Framework Plan contains standards and criteria guiding the management and expansion of the Urban Growth Boundary (UGB), but most are not directly applicable to this annexation application. The Framework Plan does address the issues of annexation of properties to cities as appropriate to ensure adequate government jurisdiction and public facilities review and approvals.

The Metro Urban Growth Management Functional Plan (UGMFP) contains population and household growth figures for each jurisdiction in the region, including the City of Happy Valley. These figures should be accommodated over the next 20 years. The approval of this annexation request will contribute land toward future urban-level uses at the densities specified in the functional plan.

Any future development within the subject properties proposed for annexation will comply with all the applicable regional, County and City plans.

II. FINDINGS OF FACT

STATEWIDE PLANNING GOALS (DLCD)

“Goal 1: Citizen Involvement (660-015-0000(1))

Goal 1 specifies that each city adopt a program for citizen involvement that clearly defines the procedures by which the general public will be involved in the ongoing land-use planning process. This program shall provide for continuity of citizen participation and of information that enables citizens to identify and comprehend the issues.

Response:

The City of Happy Valley provided notice to all interested parties, necessary parties, and land owners within 300 feet. The notice stated that the process would be expedited. This criterion has been satisfied.

Goal2: Land Use Planning 660-015-0000(2))

Goal 2 specifies the need to establish a land use planning process and policy framework as a basis for all decision and actions related to use of land and to assure an adequate factual base for such decisions and actions.

Response:

The City’s LDC establishes provisions for the expedited annexation process and county to city zoning conversion. This staff report and findings demonstrate compliance with applicable policies and regulations of all local, regional, and state regulations. This criterion has been satisfied.

Goal 10: Housing (660-015-0000(10))

Goal 10 specifies that each city must plan for and accommodate needed housing types, such as multifamily and manufactured housing. It requires each city to inventory its buildable lands, project future needs for such lands, and plan and zone enough buildable land to meet those needs. It also prohibits local plans from discriminating against needed housing types.

Response:

The subject properties are located within an area that has already been comprehensively planned for by Clackamas County. The proposed annexation would provide additional land for residential development within the City that is adjacent to areas that have already been established as residential uses and public parks. The annexation is compliant with the City’s Comprehensive Plan goals and policies pertaining to Goal 10 and the UGMFP (see Compliance with Regional Goals) and therefore, this criterion has been satisfied.

Goal 11: Public Facilities and Services ((660-015-0000(11))

Goal 11 calls for efficient planning of public services such as sewers, water, law enforcement, and fire protection. The goal's central concept is that the public services should be planned in accordance with a community's needs and capacities rather than be forced to respond to development as it occurs.

Response:

Metro Code (3.09.045.d) requires that boundary change proposals meet minimum criteria that include addressing the capacity for urban services. Boundary changes must be consistent with ORS 195.065 and regional and statewide land use goals, including Goal 11.

The subject properties are currently within CCSD #1, which provides sanitary sewer and stormwater services to the City and other urbanized areas of Clackamas County. For the subject properties that are currently vacant. Prior to their development, WES will evaluate how to best provide sanitary and stormwater services to these undeveloped properties.

Sunrise Water Authority (SWA) provides water to the City of Happy Valley. The properties proposed for annexation are currently, and will continue to be, within the service area of SWA. The future water supply needs of the subject properties will be evaluated and planned for by SWA.

This annexation proposal is consistent with Goal 11. Public services to the annexation areas have already been planned for and anticipated to occur because it is within the existing UGB. Extension of the public services that are not currently available to the subject properties will occur with future development. This criterion has been satisfied.

Goal 12: Transportation ((660-015-0000(12))

Goal 12 calls for the provision of "a safe, convenient and economic transportation system." It asks for communities to address the needs of the "transportation disadvantaged."

Response:

The Happy Valley Transportation System Plan (TSP) has been updated to include the area proposed for annexation. The TSP was adopted in December 1998; and amended in 2001, 2006, and 2009. The TSP includes an inventory of the existing transportation system, addresses current problem areas, and evaluates future needs for both motorized and non-motorized transportation options. The TSP is consistent with the Transportation Planning Rule (TPR), the Metro Regional Transportation Plan (RTP), the Clackamas County Comprehensive Plan and Pedestrian and Bicycle Master Plan, and the Oregon Department of Transportation Oregon Transportation Plan (OTP). This criterion has been satisfied.

Goal 14: Urbanization ((660-015-0000(14))

Goal 14 requires cities to estimate future growth and needs for land and then plan and zone enough land to meet those needs. It calls for each city to establish an “urban growth boundary” (UGB) to “identify and separate urbanizable land from rural land.” It specifies seven factors that must be considered in drawing up a UGB. It also lists four criteria to be applied when undeveloped land within a UGB is to be converted to urban uses.”

Response:

The Happy Valley Comprehensive Plan (1984) and East Happy Valley Comprehensive Plan Update (2009) established a UGB based on the seven criteria outlined in Goal 14. UGB expansions are also regulated regionally through the Metro Regional Framework Plan and UGMFP. The Regional Framework Plan stipulates that cities plan for growth and utilize available land in a manner that is consistent with the regional goals contained in the plan. The City has identified an expansion area from the current city limits. The subject properties proposed for annexation are within this identified area. Through the legislative process, the City is proposing to apply city zoning designations that are the equivalent of the existing Clackamas County zoning designations, to be consistent with the existing Clackamas County Comprehensive Plan. The Clackamas County Comprehensive Plan was established in compliance with Goal 14, therefore, this criterion has been satisfied.

Oregon Revised Statutes (ORS)

“ORS 222.111 – [...] (2) A proposal for annexation of territory to a city may be initiated by the legislative body of the city, on its own motion, or by a petition to the legislative body of the city by owners of real property in the territory to be annexed.

Response:

This annexation was the result of petitions filed by the property owners or their representatives who own properties that are contiguous to the city limits of Happy Valley. The criterion has been satisfied.

ORS 222.125 - Annexation by consent of all owners of land and majority of electors; proclamation of annexation. The legislative body of a city need not call or hold an election in the city or in any contiguous territory proposed to be annexed or hold the hearing otherwise required under ORS 222.120 when all of the owners of land in that territory and not less than 50 percent of the electors, if any, residing in the territory consent in writing to the annexation of the land in the territory and file a statement of their consent with the legislative body. Upon receiving written consent to annexation by owners and electors under this section, the legislative body of the city, by resolution or ordinance, may set the final boundaries of the area to be annexed by a legal description and proclaim the annexation.”

Response:

The application was initiated by petitions from owners of 100 percent of the land in the territory to be annexed and 50 percent of the electors in the territory to be annexed. The criterion has been satisfied.

REGIONAL LAND USE REQUIREMENT

“Metro Code 3.09.045 – Expedited Decisions

(a) The governing body of a city or Metro may use the process set forth in this section for minor boundary changes for which the petition is accompanied by the written consents of one hundred percent of property owners and at least fifty percent of the electors, if any, within the affected territory. No public hearing is required.

Response:

The City of Happy Valley established an expedited decision process through the adoption of Resolution Number 05-13. The City has received written consent in the form of petitions from 100 percent of the property owners and 50 percent the electors within the affected territory. The criterion has been satisfied.

(b) The expedited process must provide for a minimum of 20 days' notice prior to the date set for decision to all necessary parties and other persons entitled to notice by the laws of the city or Metro. The notice shall state that the petition is subject to the expedited process unless a necessary party gives written notice of its objection to the boundary change.

Response:

The City of Happy Valley provided notice to all interested parties necessary parties, and land owners within 300 feet of the subject properties. The notice stated that the process would be expedited. This criterion has been satisfied.

(c) At least seven days prior to the date of decision the city or Metro shall make available to the public a report that includes the following information:

- (1) The extent to which urban services are available to serve the affected territory, including any extra-territorial extensions of service;***
- (2) Whether the proposed boundary change will result in the withdrawal of the affected territory from the legal boundary of any necessary party; and***
- (3) The proposed effective date of the boundary change.***

Response:

A brief report, addressing the applicable criteria in Section 3.09.045 was available to the public on Tuesday, November 30, 2010, this criterion has been satisfied.

- (d) To approve a boundary change through an expedited process, the city shall:*
(1) Find that the change is consistent with expressly applicable provisions in:
(A) Any applicable urban service agreement adopted pursuant to ORS 195.065;

Response:

The proposed annexation is consistent with ORS 195.065. As stated above, the subject properties would generally remain within service districts already serving the area. Three of the 10 properties proposed for annexation are vacant, with one of the vacant properties being heavily constrained with natural resources. At the time of future development of these undeveloped properties, CCSD #1 will review how to best provide sanitary and stormwater services. Also, the subject properties will be required to annex into CCSD #5, which will provide street lighting at the time of development.

SWA provides water to the City of Happy Valley. The properties proposed for annexation are currently, and will continue to be, within the service area of SWA. The future water supply needs of the subject properties will be evaluated and planned for by SWA. This criterion has been satisfied.

- (B) Any applicable annexation plan adopted pursuant to ORS 195.205;*

Response:

The proposed annexation is consistent with the City's annexation plan. This criterion has been satisfied.

- (C) Any applicable cooperative planning agreement adopted pursuant to ORS 195.020(2) between the affected entity and a necessary party;*

Response:

The proposed annexation is not in violation of any cooperative planning agreements the City has with other entities. The City of Happy Valley has planning jurisdiction for land use and transportation actions within city limits. The proposed annexation is compliant with the Happy Valley Comprehensive Plan and LDC. The criterion has been satisfied.

- (D) Any applicable public facility plan adopted pursuant to a statewide planning goal on public facilities and services; and*

Response:

The proposed annexation would not interfere with the provision, quality, or quantity of public facilities and services. The subject properties are located in an area where most urban services have already been installed. The criterion has been satisfied.

(E) Any applicable comprehensive plan; and

The Happy Valley Comprehensive Plan and LDC do not contain applicable standards or criteria for boundary changes. However, the proposed annexation does meet applicable Metro and statewide planning requirements as addressed in this report. The criterion has been satisfied.

- (2) Consider whether the boundary change would:***
- (A) Promote the timely, orderly and economic provision of public facilities and services;***
 - (B) Affect the quality and quantity of urban services; and***
 - (C) Eliminate or avoid unnecessary duplication of facilities or services.***

Response:

The proposed annexation would not interfere with the provision, quality, or quantity of public facilities and services. The subject properties are located in an area where most urban services have already been installed. The criterion has been satisfied.

(e) A city may not annex territory that lies outside the UGB, except it may annex a lot or parcel that lies partially within and outside the UGB. Neither a city nor a district may extend water or sewer services from inside a UGB to territory that lies outside the UGB."

Response:

The subject properties having petitioned for annexation are within the existing Metro UGB. The criterion has been satisfied.

CITY OF HAPPY VALLEY COMPREHENSIVE PLAN

Comprehensive Plan Policies

"Policy 4: To insure orderly development in the City of Happy Valley through formulation of growth management policies and guidelines which will determine that development can occur only when adequate levels of services and facilities are or will be available.

Response:

The subject properties are located where most urban services are currently available. For the three vacant subject properties, urban services will be required to be in place when development occurs. This criterion has been satisfied.

Policy 5: To encourage controlled development while maintaining and enhancing the physical resources which make Happy Valley a desirable place to live.

Response:

The subject properties are located within an area that has been comprehensively planned for by Clackamas County. This plan was created with preservation and enhancement of physical resources as a goal. This criterion has been satisfied.

Policy 6: To assure that the development of properties is commensurate with the character and physical limitations of the land in the Happy Valley area as determined by the available base information and the Composite Development Suitability analysis.

Response:

Compliance with this policy will be evaluated when/if individual proposals for development/construction are submitted to the City on the vacant subject properties. This criterion has been satisfied.

Policy 7: To coordinate with the Metropolitan Service District (Metro) on any proposed changes or adjustments of the Urban Growth Boundary in the immediate vicinity of the City.”

Response:

There are no proposed changes or adjustments to the UGB associated with this annexation application. This criterion is not applicable.

CITY OF HAPPY VALLEY MUNICIPAL CODE

Happy Valley Land Development Code

“16.67 Comprehensive Plan Map, Specific Area Plans, Land Use District Map and Text Amendments

[...]

16.67.070 Annexations.

A. Except as provided in subsection B of this section, when a property or area is annexed to the City from unincorporated Clackamas County with an accompanying Clackamas County Comprehensive Plan designation and zone, the action by the City Council to annex the property or area shall include an ordinance to amend the City’s Comprehensive Plan map/zoning map to reflect the conversion from the County designation/zone to a corresponding City designation/zone, as shown in Table 16.67.070-1 below.

[...]

B. When an unincorporated property within the East Happy Valley Comprehensive Plan area, Aldridge Road Comprehensive Plan area, or the Rock Creek Mixed Employment Comprehensive Plan area is annexed to the City, the property shall be rezoned to the applicable zoning designation in the Comprehensive Plan pursuant to the applicable requirements of the Land Development Code.

C. For any proposed annexation to the City, application shall be made directly to the City of Happy Valley on the appropriate forms and accompanied with the required fee. Upon receipt of a copy of the form, the City shall schedule a public hearing before the Planning Commission, which shall make a recommendation to the City Council. The City may utilize any lawful annexation process under state, regional or local law, including the expedited annexation process established in the Metro Code. An expedited annexation process shall be sent directly to the City Council for review. Expedited annexations shall be processed as an ordinance pursuant to the City of Happy Valley Charter.

D. For any proposed deannexation from the City, application shall be made directly to the City of Happy Valley on the appropriate forms and accompanied with the required fee. Upon receipt of a copy of the form the City shall schedule a public hearing before the Planning Commission, which shall make a recommendation to the City Council.”

Response:

Pursuant to subsection “A” above, the properties associated with this annexation file will receive city zoning designations. As a result, if the proposed annexation is approved, an ordinance to amend the City’s Comprehensive Plan map/zoning map will be passed that reflects the zoning conversion of the subject properties from their Clackamas County zoning designations to Happy Valley zoning designations. These criteria have been satisfied.

III. CONCLUSION:

Staff has determined that the above findings demonstrate that the proposed annexation and zoning conversion of the subject properties satisfy the requirements of the City of Happy Valley Comprehensive Plan and LDC, Metro Code 3.09, Oregon Revised Statutes and Statewide Planning Goals. Staff, therefore, recommends the City Council approve application ANN-04-10/LDC-06-10/CPA-03-10.
