

# URBAN & RURAL RESERVES

## Regional Steering Committee Presentation

September 9, 2009

Clackamas County Department of Transportation &  
Development, Planning Division

# How Did we Get Here?

Summer 2009

- Staff ratings based on the factors
- PAC review of staff suggestions & options
- PAC development of new options, majority polling
- Citizen comments & submissions
  - 20 minutes of citizen comment at each PAC meeting
  - Many letters and emails were submitted
- July 14 & August 11 BCC study sessions
- Planning Commission hearing and recommendations

# What Decision is Being Made on September 10th?

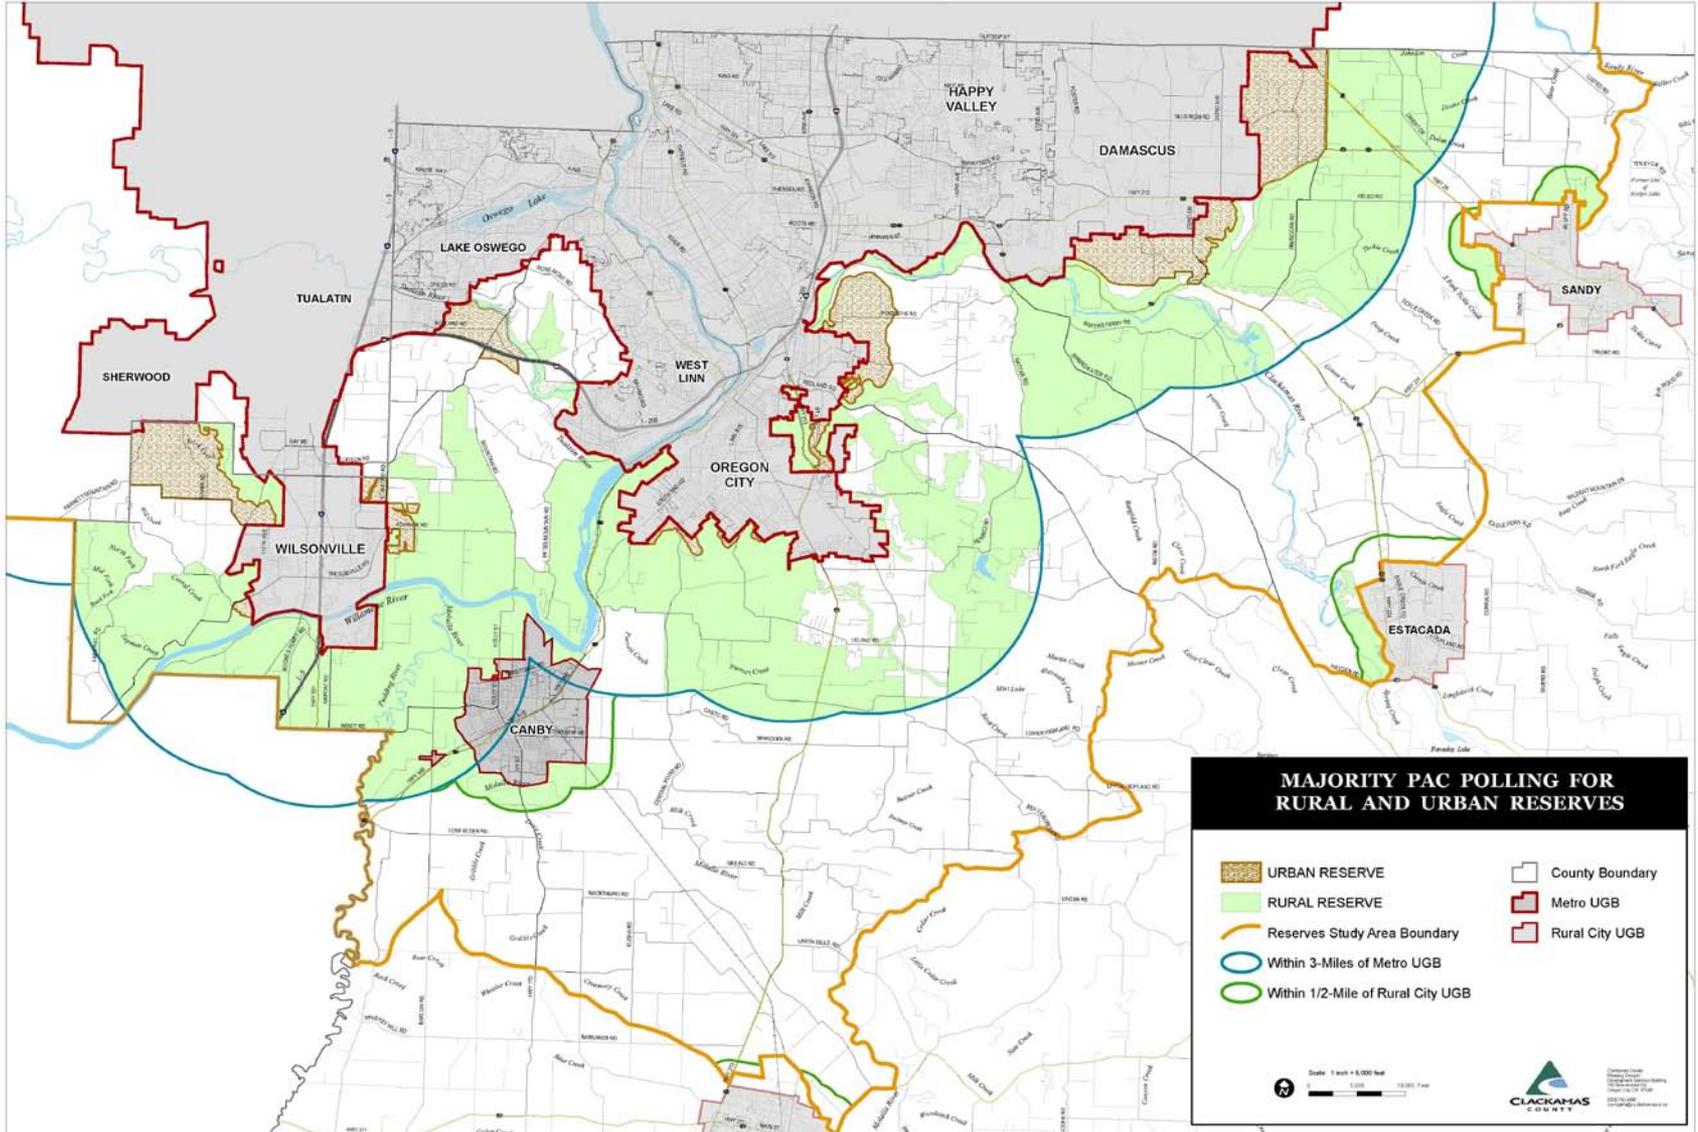

*What areas are suitable for urban and rural reserves?*

The County Commissioners will make recommendations on which areas in Clackamas County are suitable for designation as urban or rural reserves after public hearings on September 8<sup>th</sup>.

# Policy Advisory Committee (PAC)

- Began meetings April 2008
- Discussed rural reserves
  - (May 26 to June 30)
