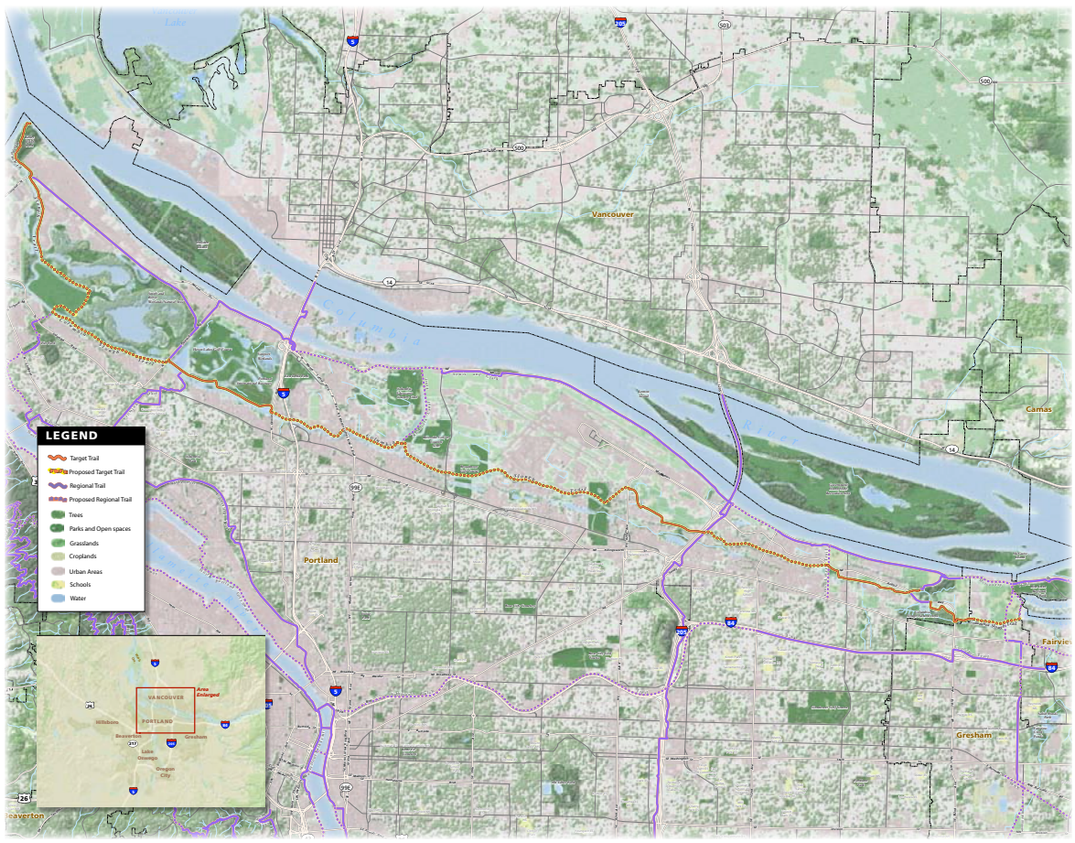
Columbia Slough Trail

Provide a unique natural experience of the Columbia Slough and a major east-west corridor across the north end of the region.



BENEFITS

- Offer people an opportunity to experience the unique ecosystem of the Columbia Slough.
- Connect employment areas in North and Northeast Portland with recreation and trails to the central city.
- Create many loop opportunities with Marine Drive, Peninsula Crossing, I-205 and Gresham/Fairview trails.
- Connect neighborhoods to Smith and Bybee Wetlands Natural Area.
