# Climate Leadership Summit

Working together to build livable, prosperous, equitable and climate smart communities

**8 A.M. TO NOON FRIDAY, APRIL 1, 2011**

**JPACT and MPAC members, other elected officials, and business and community leaders will work together at this half-day event to identify strategies to reduce the region's greenhouse gas emissions and create great communities.**

The summit is designed to help participants:

- Learn how local aspirations can help achieve climate goals and gain momentum from climate strategies.
- Provide input on the combinations of land use and transportation strategies that should be tested this summer.
- Learn about public attitudes about climate change.
- Discuss which land use and transportation strategies are most effective in reducing greenhouse gas emissions and what it may take to meet state targets.
