PUBLIC NOTICE OF OPPORTUNITY TO COMMENT ON:

**APPLICATION OF NORTHWEST SHINGLE RECYCLERS, LLC
TO OPERATE A MATERIAL RECOVERY FACILITY**

Notice Issued: June 23, 2010

Written comments regarding this application may be submitted through 5 p.m. on: July 15, 2010

Applicant: Northwest Shingle Recyclers, LLC

Location of facility:

6110 SE 111th Avenue
Portland, Oregon

Description of facility/application:

Northwest Shingle Recyclers, LLC has applied for a new Metro Solid Waste Facility License to operate a material recovery facility at the subject property. If approved, Northwest Shingle Recyclers, LLC will be licensed by Metro to accept asphalt composition roofing shingles and wood roofing shingles with associated roofing tear-off debris for the purpose of sorting out the recyclables for marketing. The recovered asphalt composition roofing shingles will be delivered to an asphalt recycling facility located in Salem, Oregon.

The operations will be conducted inside an enclosed roofed building on the subject site. The site is zoned IG2 by the City of Portland. The proposed activity is considered manufacturing and production by the City zoning Code and allowed in the zone.
