## Request for bids (RFB 13-2180)

---

Metro is requesting bids for Transportation and Disposal of Wastewater and Paint Waste from Metro's Latex Paint Recycling Facility for the Parks and Environmental Services Department. Bids are due to be received (postmarks not accepted) no later the date and time indicated on the RFB cover page at Metro, 600 NE Grand Avenue, Portland, OR 97232,

The contract contemplated consists of transportation and disposal of wastewater and paint waste from Metro's Latex Paint Recycling Facility:

### Description of the waste:

#### A) Paint waste

Metro receives unwanted latex paint from households and conditionally exempt generators. Paint comes to us in containers one quart to five gallons in size. Each container is opened and examined. Containers of latex paint that are not suitable for recycling are put into a can crusher that forces the contents out, through a grate, and into a collection container. This waste stream includes paint that is not recyclable because it has frozen, spoiled, or been contaminated with rust or debris. Also included is paint that is recyclable quality, but is disposed due to lack of a market. Any container with oil-based paint or any other material that is not latex paint is handled separately and does not go into this waste stream. In addition, any container of latex paint that is obviously high in lead or mercury is handled separately and does not go into this waste stream.

Estimated number of gallons of paint waste generated during the contract term is 130,000.

#### B) Wastewater

Paint tanks, filters, and other equipment used in the paint recycling process are rinsed out, and the rinse water is accumulated. This waste stream contains only water and latex paint.

Estimated number of gallons of wastewater generated during the contract term is 116,000.

### Scope of work:

1. Wastewater and paint waste shall be picked up by Contractor at Metro's Latex Paint Recycling Facility. The facility is located at 4825 N. Basin Ave., Portland, OR.
2. Contractor shall pickup waste on a regular weekly schedule as agreed by both parties, or within two working days of Metro's request. Pickup shall be completed during the regular operating hours of Metro's paint recycling facility.
3. Contractor shall provide documentation of the net weight of waste contained in each load.
4. Disposal of wastewater and paint waste shall be disposed of in accordance with all federal, state and local laws, rules, regulations and orders.
5. Prior to the first waste shipment Contractor shall notify Metro of the disposal method to be used and final disposal facility for both waste types. Contractor shall notify Metro prior to any change in disposal method or final disposal facility.
6. Contractor shall provide containers that are 275 to 330 gallons in size with top openings at least 12 inches in diameter to Metro for accumulation of wastewater and paint waste.
7. Contractor shall maintain containers provided. Maintenance shall include the following:
  - a. Cleanout. Whenever any container accumulates non-pumpable residue of 6 inches or more, Contractor shall clean all residue from that container.
  - b. Stackability. Contractor shall maintain feet and brackets on containers so that they are safe to stack.

## Request for bids (RFB 13-2180)

---

The term of the contract is anticipated to be October 1, 2012 through September 30, 2014. Metro reserves the right to renew contract for three additional one year terms not to exceed a total of five (5) years.

All bids must be submitted in sealed envelopes which clearly identify the item(s) as stated in the RFB. Bidding documents, (including plans and specifications depicting the work) may be examined and are available at [www.oregonmetro.gov](http://www.oregonmetro.gov), under "Doing Business".

The provisions of any written addenda issued by the Procurement Officer at least seventy two (72) hours prior to the Bid opening date and time shall be binding upon the Bidders, and failure of a Bidder to obtain such addenda shall not excuse compliance therewith by the successful bidder.

Upon request by Metro, satisfactory evidence of the authority of the partner or officer shall be furnished.

If an agent who is not an officer of the corporation or a member of the partnership signs the Bid, a notarized Power of Attorney must be on file with Metro prior to the opening of Bids or be submitted with the Bid. Without such notice of authority, the Bid shall be considered improperly executed, defective and therefore nonresponsive.

A Bid submitted by a joint venture must include a certified copy of the terms and conditions of the agreement creating the joint venture.

## **EXAMINATION OF PLANS, SPECIFICATIONS, AND SITE OF WORK**

It is understood that the Bidder, before submitting a Bid, has made a careful examination of the plans, specifications, and contract; that it has fully informed itself as to the quality and quantity of materials and the character of the work required; and that it has made a careful examination of the location and condition of the work and the sources of supply for materials.

## **COMPLIANCE**

Each Bidder shall inform itself of, and the Bidder awarded a contract shall comply with, federal, state, and local laws, statutes, and ordinances relative to the execution of the work. ## **CONFLICT OF INTEREST**

A Bidder filing a bid thereby certifies that no officer, agent, or employee of Metro or Metro has a pecuniary interest in this Bid or has participated in contract negotiations on behalf of Metro; that the bid is made in good faith without fraud, collusion, or connection of any kind with any other Bidder for the same call for Bids; the Bidder is competing solely in its own behalf without connection with, or obligation to, any undisclosed person or firm.

## **IMMATERIAL VARIANCES**

Metro reserves the right to determine whether equipment or materials that comply substantially in quality and performance with the specifications are acceptable to Metro, and whether any variance listed by the Bidder in a bid is material or immaterial.

## **LATEST MODEL**

Parts and materials must be new, of latest model, of current date, and meet specifications. This provision excludes all surplus, remanufactured, and used products, unless such material is proposed in lieu of items specified.

# Request for bids (RFB 13-2180)

---

## **"OR APPROVED EQUAL" CLAUSE**

In order to establish a basis of quality, certain processes, types of machinery and equipment, or kinds of materials may be specified, either by description of process or by designating a manufacturer by name and referring to his brand or product designation, or by specifying a kind of material. It is not the intent of these specifications to exclude other processes, equipment, or materials of equal value, utility or merit.

Whenever a process is designated or a manufacturer's name, brand, or product is described, it shall be understood that the words, "or approved equal" follow such name, designation, or description, whether in fact they do so or not.

If a Bidder proposes to furnish an item, process or material which it claims to be of equal utility to the one designated, then:

1. Bidder shall submit as part of their Bid, a written statement describing it together with supporting data and details sufficient to permit Metro to evaluate the same. If the product contains chemical properties, the relevant Material Safety Data Sheets (MSDS) shall be included to document all health and physical hazards, chemical ingredients, exposure limits, personal protective equipment for handling and use, and emergency procedures in response to unanticipated spills or environmental release.
2. Metro may require demonstration, additional tests, and additional data, all to be supplied at the expense of the Bidder.
3. Metro shall in its sole discretion determine if an item submitted as an alternate or approved equal is "equal" or "equivalent".

## **RECYCLABLE PRODUCTS**

Vendors shall use recyclable products to the maximum extent economically feasible in the performance of the work set forth in this contract document.

## **RECYCLED PRODUCTS AS BID ITEMS**

Oregon Law (ORS 279A.125) requires Metro and all public agencies to give preference to materials and supplies manufactured from recycled materials.

All Bidders are therefore required to specify the exact or minimum percentage of recycled paper and fiber type in all paper products or recycled content in all other products offered, plus both the post-consumer and secondary waste content of the products offered.

Only Bids submitted with such information shall receive preference consideration and post Bid declaration or discovery shall not be allowed.

## **QUANTITIES**

Metro makes no guarantees as to the exact quantities to be purchased. The figures provided are intended merely as guides and Bidders are warned not to construe them as a guarantee to purchase any amount.

Payment will be made only for quantities actually ordered, delivered, and accepted whether greater or less than the stated amounts.

## **TERMS**

A Bid may be rejected if it requires payment in less than thirty (30) calendar days after invoice date or if it requires payment, in whole or in part, less than fifteen (15) days after invoice approval prior to delivery.

## **PRICES**

All prices submitted shall be firm during the contract period. If unit prices are requested, they should be provided for each unit on which there is a Bid. In case of mistake in extension of price, unit prices shall govern. All prices shall be F.O.B. the destination designated by Metro.

# Request for bids (RFB 13-2180)

---

## **WARRANTY / GUARANTY**

Each Bid for the furnishing of materials and equipment shall provide an explanation of both the Bidder's and manufacturer's warranties on materials and workmanship.

Every Bid shall indicate any warranty costs to Metro, including but not limited to, all parts, labor, and shipping costs required for compliance with any specific requirement(s) contained in the special conditions.

## **SERVICE**

Each Bidder shall furnish detailed information on any service facilities, locations, and procedures as well as information on any maintenance agreements or contracts available to Metro.

## **DELIVERY**

Each Bidder shall provide a delivery schedule for each item offered. The successful Bidder shall notify Metro, in writing, within five (5) business days of order if delivery cannot be completed as proposed and required. Upon receipt of such notice from the successful Bidder, Metro reserves the right to cancel the order and make the purchase from the second lowest, responsible Bidder.

If Metro does not elect to cancel the contract initially, subsequent failure to meet the then current delivery requirement does not foreclose Metro's option for later cancellation.

## **BID SECURITY**

All Bids must be accompanied by a bid security in the form of a cashier's check, certified check, irrevocable letter of credit, or a bid bond issued by a surety authorized to conduct such business in the state of Oregon. Security shall be in the amount of five hundred dollars (\$500.00). The bid security shall serve as a guarantee that the bidder will not withdraw the bid for a period of sixty (60) days after bid opening, and if awarded the contract, will execute the Metro contract and furnish all required bonds and insurance with the time frame specified.

The Attorney-in-Fact who executes any bond on behalf of the surety must attach a notarized copy of his or her Power of Attorney as evidence of authority to bind the surety on the date of bond execution.

Bid securities will be held until the Contract has been finally executed, after which all Bid securities, other than those which have been forfeited, will be returned to the respective Bidders whose Bid they accompanied.

## **RESIDENT / NON-RESIDENT BIDDER**

Oregon law requires Metro, in determining the lowest responsive Bidder, to add a percent increase on the Bid of a non-resident Bidder equal to the percent, if any, of the preference given to that Bidder in the state in which that Bidder resides. Therefore, each Bidder must indicate whether it is a resident or non-resident Bidder. A resident Bidder is a Bidder that has paid unemployment taxes or income taxes in the state of Oregon during the last twelve (12) months immediately preceding submission of this Bid, has a business address in Oregon, and has stated in its Bid that it is a "resident Bidder."

## **EXPERIENCE AND ABILITY TO PERFORM THE WORK**

Upon request, Bidders must present all necessary information indicating that the Bidder has met the standards of responsibility set forth in ORS 279B.110. Metro will make the final determination as to whether or not the Bidder is qualified to perform the work.

## **BASIS OF AWARD**

The award shall be made to the responsible Bidder submitting the lowest responsive bid. Any determination of bidder's responsibility or responsiveness are subject to review and determination by the Office of the Metro Attorney as to legal sufficiency. Metro reserves the right to accept or reject any and all bids in whole or in part and to waive any irregularities in the best interest of Metro.
