KRONOS and PeopleSoft Timekeeping Analyses Configuration and Operation

The following questions were submitted on this solicitation. In the interest of fairness, this information is being provided to all interested proposers.

- Q: After reviewing the requirement we feel that we have the expertise to respond and expert in PeopleSoft. We have partners, associates, and resources that have experience in Kronos/PS but we are not a Kronos partner. We are Oracle Gold partner. Just want to clarify if this is a specific requirement.
- A: Thank you for your question. The selection committee will consider your proposal if you are not a certified KRONOS partner. Please indicate in your proposal how your company will supply the necessary KRONOS technical expertise to fulfill our requirements.
- Q: Is the KRONOS Connect Partner Program Silver certification a mandatory requirement for proposers
- A: The selection committee will consider your proposal if the firm is not a certified KRONOS partner. Please indicate in your proposal how your company will supply the necessary KRONOS technical expertise to fulfill our requirements
- Q: Does Metro expect to replace parts or all of KWFC with PeopleSoft Time and Labor/Absence Management?
- A: Metro does not expect to replace KRONOS functionality with PeopleSoft but will consider any viable option or recommendation.
- Q: Is Metro looking for Project Management support for this effort or just consulting expertise?
- A: Consulting expertise.
