

## **HVAC Technician – Oregon Zoo**

### **(Maintenance Technician)**

**Recruitment number:** Zoo-0448-Sept10

#### **Required supplemental questions**

- All applicants must submit a written or typed response to each of the following.
  - The responses must be addressed individually and included with the application on a separate sheet(s).
  - Write your telephone number, including the area code, in the upper right corner of each page, but not your name.
  - Your responses will be used as part of your application evaluation.
1. **Describe your experience working with commercial HVAC systems, refrigeration and commercial water filtration systems.**
  2. **Describe an experience that required you to troubleshoot a mechanical failure or problem, and explain the steps you took to successfully resolve the problem.**
  3. **Describe your experience working with a preventative maintenance system. Did you develop the system, research software or input the maintenance schedules?**
