EXHIBIT B

FINDINGS IN SUPPORT GARNER ANNEXATION FILE NO. AN 5-07

I. BACKGROUND INFORMATION AND SITE DESCRIPTION

Two petitioners representing two properties requested City Council approval for annexation of approximately 1.81 acres into the City Limits of Hillsboro.

The properties under consideration are located generally south of SE Witch Hazel Road, north of SE Alexander Street and Tax Lot 4100 is west of SE Brookwood Avenue and east of SE 49th Avenue, while Tax Lot 5800 is east of SE Brookwood Avenue. The properties can be specifically identified as Tax Lots 4100 and 5800 on Washington County Tax Assessor's Map 1S2-09AD. The total Measure 50 assessed value of the properties is \$190,900.

The site slopes gradually towards the south on both tax lots. A single family residence, associated outbuildings and numerous trees are located on Tax Lot 5800. Tax Lot 4100 is vacant and includes several clusters of trees.

SE Brookwood Avenue is identified as a five-lane Collector street and SE Witch Hazel Road is identified as a three-lane Collector street in the City of Hillsboro Transportation System Plan (TSP).

The City of Hillsboro Goal 5 Natural Resource Inventory does not identify any Significant Natural Resources and associated impact areas on the site. The majority of tax lot 4100 is within the 250-foot area of potential impact on the Clean Water Services Sensitive Areas Pre-Screen Map.

II. PROCEDURAL REQUIREMENTS

In accordance with ORS 222.125 the petition for annexation from the property owners constituted 100 percent of the property owners and at least 50 percent of the registered voters residing on the property. Notice of the proposed annexation was given as specified by Metro Code Chapter 3.09.030 and ORS 222.120. A staff report was prepared and available 15 days prior to the hearing as stipulated by Metro Code Chapter 3.09.050. A public hearing on the matter was conducted by the City Council on June 19, 2007.

III. APPLICABLE APPROVAL CRITERIA

Metro Code Chapter 3.09.050(d) specifies the minimum review criteria for a proposed annexation. The six minimum applicable criteria are as follows:

- 1) *Consistency with directly applicable provisions in an urban service provider agreement or annexation plan adopted pursuant to ORS 195.065;*

FINDING: There is currently a Hillsboro Urban Service Provider Agreement in place for this area, dated April 2, 2003, as required by ORS 195.065 (Senate Bill 122). The units of local government which have entered into this agreement are as follows: Washington County; City of Hillsboro; City of Beaverton; Metro; Clean Water Services; TriMet; Tualatin Valley Park and Recreation District; Tualatin Valley Fire and Rescue District; Tualatin Valley Water District; and Washington County Fire District No. 2. The annexation is consistent with the applicable provisions of the Agreement, specifically Section 1 Roles and Responsibilities(C) and (E).

- 2) *Consistency with directly applicable provisions of urban planning or other agreements, other than agreements adopted pursuant to ORS 195.065, between the affected entity and a necessary party;*

FINDING: The properties are identified as being within Urban Area A of the Urban Planning Area Agreement (UPAA) between Washington County and the City of Hillsboro, adopted on December 15, 1998. Pursuant to that agreement, *"the City shall regulate the conversion of vacant land to urban uses in Urban Area A through the extension of water and sewer service, land partitioning requirements, provision of transportation facilities and annexations within the area. Land within Urban Area A shall not be converted to urban uses prior to annexation to the City."* Section IV (A) of the UPAA also specifies that *"all land in Area A shall annex to the City prior to development. As used in this subsection, "development" includes the construction of any residential dwelling unit structure or related accessory structures."* Annexation of this property would be consistent with the UPAA, and allow the petitioners the ability to further develop the properties.

- 3) *Consistency with specific directly applicable standards or criteria for boundary changes contained in comprehensive land use plans and public facility plans;*

FINDING: The annexation would be consistent with the following Comprehensive Plan policies and implementation measures:

Section 2. Urbanization Policy (III)(A) Urbanization within the planning area shall be consistent with the goals and policies of this Plan. Development shall occur according to the availability of urban services and within the context of the Urban Planning Area Agreement. The City and other government agencies shall encourage property owners to maintain the present rural use and character of undeveloped or underdeveloped lands within the Hillsboro Planning Area until such land is required and proposed for urban use and the necessary urban services are available.

Section 2. Urbanization Implementation Measure (IV)(A)(5) The infill of vacant, bypassed lands, between areas of development, at an urban level, shall be encouraged. Appropriate measures shall be taken to insure that new development in infill areas is compatible with existing developed areas. The City will support a proposed annexation of infill areas and allow subsequent development to occur under the clear and objective standards in its implementing ordinances, including the Zoning and Subdivision ordinances.

Section 2. Urbanization Implementation Measure (IV)(G) All land in the Hillsboro Planning Area is assumed to be available for annexation and/or development, consistent with the Comprehensive Plan, zoning, subdivision regulations, and the Urban Planning Area Agreement.

Section 12. Public Services Implementation Measure (V)(C)(2) The City shall require properties to annex to the City prior to the provision of sanitary sewer service.

Section 12. Public Services Implementation Measure (V)(I)(2) The City shall require properties in the urban area to annex to the City prior to the provision of water service.

In particular, the annexation would be consistent with Section 2. Urbanization Implementation Measure (IV)(A)(5), supporting the annexation of infill areas; and Section 2. Urbanization Implementation Measure (F), all land in the Hillsboro Planning Area is assumed to be available for annexation.

- 4) *Consistency with specific directly applicable standards or criteria for boundary changes contained in the Regional Framework Plan or any functional plan;*

FINDING: The annexation would be consistent with regional framework and functional plans. The City's current plan designations for the properties are RL- Low Density Residential, RM - Medium Density Residential, and IN - Industrial, which is consistent with the regional urban growth goals and objectives. The properties have been recommended for R-7 Single Family Residential and A-1 Duplex Residential zoning, and the City Council will consider the recommended zone immediately following approval of the annexation (Casefile No. ZC 9-07).

- 5) *Whether the proposed change will promote or not interfere with the timely, orderly and economic provisions of public facilities and services;*

FINDING: There is a ten-inch City water line located in the SE Brookwood Avenue and SE Witch Hazel Road rights-of-way, adjacent to the site. There is a ten-inch sanitary sewer line located in the SE Brookwood Avenue and SE Witch Hazel Road rights-of-way, adjacent to the site. There is a fifteen-inch City storm sewer line located in the SE Brookwood Avenue right-of-way, adjacent south, and a six-inch City storm sewer line located in the SE Witch Hazel Road right-of-way, adjacent north to the site.

Fire and police protection would be provided by the City of Hillsboro and the properties would be withdrawn from the Washington County Rural Fire Protection District No. 2; Washington County Service District for Enhanced Law Enforcement; Washington County Service District for Urban Road Maintenance; and Washington County Service District No. 1 for Street Lights as of the effective date of the annexation.

Annexation of the subject properties would not interfere with the provisions of public facilities and services.

- 6) *Consistency with other applicable criteria for the boundary change in question under state and local law.*

FINDING: Pursuant to ORS 222.524, the City of Hillsboro has determined that withdrawal of the properties from the Washington County Rural Fire Protection District

No. 2; Washington County Service District for Enhanced Law Enforcement; Washington County Service District for Urban Road Maintenance; and Washington County Service District No. 1 for Street Lights is in the best interest of the City.

IV. TESTIMONY FROM NECESSARY PARTIES

No written testimony was received prior to or at the public hearing from a necessary party as defined in Metro Code Chapter 3.09.020(j), nor was oral testimony received by the City Council from a necessary party at the public hearing.
